Sponsor a Raptor

Your sponsorship of an individual Educational Raptor helps provide food, medical care, and updates to housing for one of the raptors. Your sponsorship will help us care for these wildlife ambassadors and ensure the success of our educational programs.

Sponsor this Great Horned Owl - \$250

This educational Great Horned Owl was born in 1991 and suffered secondary poisoning as a fledgling. Annual food expense is approximately \$700.

Sponsor this Peregrine Falcon - \$200

This Peregrine Falcon was born in 1990 and spent 17 years in the wild before a wing injury grounded this bird. Annual food expense is approximately \$720.

Sponsor this Red-tailed Hawk - \$150

This educational Red-tailed Hawk was born in 2001 and hit by a car as a young bird resulting in balance problems. Annual food expense is approximately \$500.

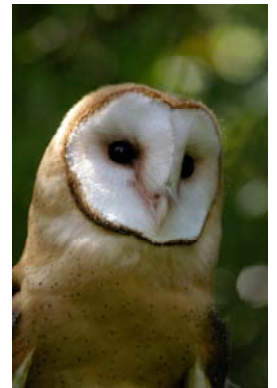

Sponsor this Barn Owl - \$100

This educational Barn Owl was born in 2006 and fell from a palm tree nest at 2 weeks of age fracturing her hip. Annual food expense is approximately \$550.

Sponsor this American Kestrel - \$50

This American Kestrel was born in 2004 and hit by a car, suffering blindness in his right eye. Annual food expense \$185.

You will receive a beautiful picture of your sponsored raptor as well as a certificate of sponsorship. I wish to Sponsor:

Great Horned Owl Peregrine falcon Red-tailed Hawk Barn Owl Kestrel
